Dear Commissioners:

I am writing concerning the pending merger of Qwest and CenturyLink. Rise Above Debt have/has been an Integra Telecom customer since (date) and are pleased with the consistent level of service we receive from

Integra. It is critical to our business to have reliable telecommunications and Internet access services.

It is our understanding that CenturyLink is the first rural carrier to acquire a regional Bell Operating Company, and that it has little experience serving major urban areas like Phoenix. We are concerned that the service of all residents and businesses in our state which rely on Qwest's network may be adversely affected by this merger. We urge you, in reviewing this merger, to ensure that service quality and local service competition are not harmed by this transaction. The merged company must have the appropriate incentives and operational resources to serve all its customers whether wholesale or retail at the same levels Qwest does today.

Our community and our businesses depend upon a common telecommunications infrastructure and we are counting on the FCC and the state commission to insist upon merger conditions that require Qwest and its successor to invest adequately in the Arizona network.

Sincerely

Rise Above Debt
